

Carrie Waller

Louisiana Watercolor Society Workshop Teapot and Lightbulbs May 2023

- Light Bulb 1/2 Day Project 8" x 15" approx
- Teapot 2.5 Day Project 15" x 22" approx.

Arches 156lb cold pressed, you can also use Arches 140lb cp or 300 lb cp, if using 140lb needs to be stretched.

Paper should be taped down to a board on all sides. I use a corrugated plastic board used for signage, gator board or varnished plywood works as well.

Come to the class with your drawing and masking complete.

Acid Free Artist's tape white

Holbein Masking Fluid or whatever your favorite masking fluid brand.

Ruling pen or whatever masking applicator you use. Masking should be applied thinly and carefully.

#2 round synthetic or natural paint brush round

#4 round synthetic or natural brush round

Size 8 Flat brush synthetic or natural

A scrubber brush, I use an old synthetic brush that allows me to scrub out highlights and mistakes

Please bring all of your brushes to the class
